**WE ARE PLEASED TO INVITE YOU TO THE  
18th Hawkeye Downs Shorthorn and  
27th Hawkeye Downs Polled Shorthorn Sales**

**At Hawkeye Downs Fairgrounds**

**Cedar Rapids, Iowa**

**Saturday, March 17th, 1962**

**Show: 8:30 A. M. — Sale: 12:00 Noon Sharp**

**We offer for your consideration**

**18 Shorthorn Bulls and 18 Females - 1 cow with calf, 1 bred female,  
6 head of 1960 heifers and 10 club heifers.**

**13 Polled Shorthorn Bulls and 20 Females - 6 cows with calves at foot,  
6 bred females, 4 head 1960 heifers and 4 club heifers.**

**Please note that this offering comes from top herds in Iowa, Minnesota, Wisconsin and Illinois. The Hawkeye Downs Sale has become a place to select real top cattle. Many of our consignors are top winners at their respective state fairs. This is a production sale where our consignors market many of their top cattle.**

**Please note that all the bulls are of, or near, serviceable age and also the numerous cows with calves at side.**

**We will have a dinner and meeting as usual at 6:15 the evening before the sale. We have had good meals where we have been served before. One consignor, who has dined at Ross Steak House, recommends it since the proprietor uses Shorthorn bulls on cows of another breed to supply much of his beef. So this meeting and dinner will be at Ross Steak House at the intersection of 3rd Ave. and 3rd St., directly across the street from Shertan Montrose Hotel. The Armstrong parking lot is 1/2 block from Ross's front door and Ross can make arrangements for parking 16 vehicles adjacent to his building. All breeders and friends are invited. Each person can order his own choice of foods. Think up matters that should come up before the meeting.**

**Livestock Insurance may be obtained in the American Livestock Insurance Co. - Harding & Harding through the sale manager.**

**A Farnum Roller Mill for small grains will be offered at auction while our guests are being seated. It is in good condition and being offered because we no longer are developing purebred calves at Alauna Acres.**

**FRONT COVER PICTURES:**

**Upper - Mr. James Durno and a few of his Shorthorn cows at Upper-mill Farm in Scotland.**

**Lower - Some of the brood cows in the herd of Harold Bacon, one of our consignors.**

**Catalog Lithographed By MWM Color Press, Aurora, Mo.**

# *General Information*

TIME: Saturday, March 17, 1962. Show at 8:30 A.M., Sale at 12:00 A.M., Sharp.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated following a clean test unless otherwise stated.  
Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 mos. of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.  
The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the managers 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneers: J. E. Halsey, Des Moines, and Roy Wagener, Bellevue.
10. Special Representatives: Rex Conn, Cedar Rapids Gazette, Harvey Neitderhisar, Ringman with the amplifier, North Liberty, Bill Stunkel of the Shorthorn World.
11. Clerk: Keith Noll, Asst. Cashier, People Savings Bank, Cedar Rapids, Iowa.
12. Sale Manager: Earl S. Girton, Box 732, Marshalltown, Iowa. Phone: 3693.  
Assistant Sale Manager: Merne Anderson, Victor, Iowa. He will handle the health charts.

SUSANNA'S CUSTODIAN 14TH - Is again for sale. The "14th" has worked well for us under all conditions. He leaves a fine group of heifers plus the heifers in the year's calf crop yet to be calved. Also, our Junior herd sire is by him and he is a very promising individual that we can use on any female in the herd. Last year we fitted one of the "14th's" heifers and at three different Iowa Shows including the Iowa State Fair - there wasn't another Iowa Shorthorn female that could beat her. This tried sire is still in the prime of life and if you admire power, square skull, heavy bone and muscle please study this bull. His kind are scarce and few better bulls will be sold in Iowa this year.

ALAUNA LORD COLLYNIE

Note the grand head and burliness of this fine old sire.  
(See reference to him in The Alauna Acres Story.)

The following ten head are consigned by Walter F. Fennern who has been breeding Polled Shorthorns since March 1, 1944 when he moved to Alauna Acres. All of his entries are descendants of the females that he took to his newly purchased farm when he left Alauna in 1950. All have a cross of Alauna Lord Collynie in their pedigrees - the bull that sired two National Congress Grand Champions, and several State Sale Grand Champions as well as "best get of sire" at the 1946 Congress, 1946 and 1951 at the Iowa State Fairs.

Walter advises that he is crowded for room and that these cattle will not be broken to halter. Hence they will not be shown, but gates will be arranged to bring them into and out of the ring. He says "I think this is a pretty good bunch of cattle, not highly fitted but in good breeding condition and should go on and make money for their new owners. You will notice that all are quite young as I sell my old cows and an occasional animal not good enough for my herd on the market. All have been vaccinated against Bang's."
